Students Vote to Switch Recess Play Areas Each Week

By: Lilah S.

Columbus Jewish Day School students voted to change the recess arrangement during a school-wide election on November 6th.

There were three options for the vote. The first option was that kindergarten through 2nd grade students would be on the playground, and the other students would play on the field. The second option was the opposite of the first option. The third option was that the different groups of students would switch from the playground to the field for recess every week.

Daniel G., a 1st grade student, voted for option three because she wanted to enjoy both the field and the playground. She said, "The field is sometimes boring, but a change is okay."

After the votes were tallied, students learned that the 3rd option won. The age groups will switch from the different areas every week.

Some Students Suggest Changes to their Bus Ride

By: Vivian L.

“It’s a new year, a clean slate. Maybe we should have another chance with electronics.” – Caleb M., 5th grader

On the Bexley bus, three CJDS students sit in one seat. The students share the bus with Marburn students. With more kids and less space, some students feel squished.

Adrinna B. said, “I remember my first seat with Charlotte and Daniel. I would like to have two (students) to a seat because I would have a lot of space.”

Another student, Raiden G., said that he was feeling the squeeze but realizes there are reasons for the seating arrangement. “This way, more kids can fit on the bus.”

Raiden has another suggestion for the bus, he’d like to have electronics back. Caleb M. agrees, “It’s a new year, a clean slate, maybe we should have another chance with electronics.”

“Enrollment is growing, and the fun part is that the kids are showing off who they are...” - Ms. Jenny Glick

CJDS Student Ambassadors Help the School Grow

By: Ruthie M.

School tours are important at CJDS. Showing parents and friends around gives others an idea about what a day is like for kids.

Ms. Jenny Glick hosts the tours. She said, “Enrollment is growing, and the fun part is that the kids are showing off who they are, and teachers help with tours.”

Because of the tours, every class has an ambassador that is helping the school grow. Ambassadors talk with people who are visiting. Marleigh C. was an ambassador for 1st grade. She said, “I get to introduce myself and answer questions.”

Liav S. is in the 1st grade. He was also an ambassador and liked his job. He said, “You get to know people and they ask you questions and it’s fun.”

Ms. Jenny said that Ms. A.G. and Dr. Z also help with the tours. “This is a way that we are even more connected to Columbus.”

Students Learn How to Create Music

By: Dafna S.

In music class, CJDS students are learning about the “four families,” music making, melody making, and how to put rhythms into beats.

Students at CJDS think music is very fun.

Mr. Angelo says that in the next couple of weeks, kindergarten will be exploring the four families of the orchestra such as woodwinds, percussion, brass, and strings.

Other grades are exploring music making, melody making, and putting rhythms into beats. Also, choir is performing again very soon.

Second grader Gavi Z. likes music because “Mr. Angelo is fun and playful.”

First grader Charlotte K.C. loves when they do dances. Ruth D. loves piano and she loves to play it too. Many students say, “Music is awesome!”

Hey, hey it’s your Birthday!

Happy Birthday(s)! This month we have not one, but four birthdays!

Ms. Jessi Kohl celebrated her birthday on November 4th and Mr. Angelo Dunlap had a birthday on November 10th. Dr. Z gets ready to have fun on November 28th which is her birthday, and Ezra W. will celebrate another year on November 23rd.

Ezra said that when his birthday rolls around he likes to go to Boston. That’s where he celebrated his most recent birthday. Ezra said, “I love chocolate cake,” for his birthday.

There are also some birthdays that do not belong to people at CJDS. The first special birthday belongs to Ruthie’s baby cousin, Olivia, who turned one on November 7th. Dafna’s uncle Matan has his birthday on November 30th.

When it is your birthday month, let reporter Ma’ayan C. know and she will feature you in the newspaper.

Do you have a birthday coming up? Let reporter Ma’ayan C. know and you might be featured in the CJDS Chronicles.
